Advantage of having a Photo Booth At Your Wedding!

You'll get an additional set of wedding photos!

Your guests love to pose at the photo booth, but these snaps are a ton of fun for the couple to look through after the wedding. Think of it as a way to see what friends were up to when you weren't around. Your professional photos are great for framing and hanging but flipping through an album filled with photo booth snaps is guaranteed to put a smile on your face for years to come!
